

TRAVEL DESIGNER IN SOUTH WEST FRANCE
A little, a lot, passionately... Nouvelle-Aquitaine

Get Onboard with Passion for the South West of France

Our Assets at DMC Passion Tourisme :

- A personalized support form A to Z
- A deep knowledge of the region
- First choice local partners for more than 20 years
- An attentive listening to your requirements
- The promotion of sustainable practices on the environment and heritage
- In collaboration with licenced guides
- A strong commitment for authentic and reliable providers

At Passion Tourisme, we aim to become the first choice partner of travellers looking for authentic and rewarding experiences in Nouvelle-Aquitaine. Our goal is to create tailor-made itineraries that inspire, educate and leave a positive print both on our clients as our region.

Passion HERITAGE

Nouvelle-Aquitaine's heritage is a mosaic of influences, combining History, Culture and Nature. The DMC Passion Tourisme transports you into its travels book :

WINE TOURISM :

an essential part of our heritage

Cité du Vin and reknown vineyards of Bordeaux, prestigious Houses of Cognac, passionate wine growers ... Classic tours or personalised experiences : Senses workshop, Blending workshop, escape game, wine and chocolate tastings, meals at the private table of the château ...

HISTORY & ARCHITECTURE:

a various and rich heritage due to centuries of History and Culture

Prehistorical Sites, Castles and Abbayes, Houses of Artists, Certified villages, Art and History cities, Unesco listed sites... With a licensed guide, in a recreational mode (treasure hunt, murder party, segway...), in a gourmet walk or theatrical mode... to each one his own unforgettable discovery

WAY OF LIFE & GASTRONOMY :

land of celebrations and traditions

Meeting with local producers for **tasting** our terroir products, Discovering of craft works and ancient know-hows, **Participating** to traditional celebrations

PASSION TOURISME is dedicated to make you live rewarding stays, as much as we care to preserve and value our heritage.

Passion NATURE

The DMC Passion Tourisme enable you to discover the region with a full respect of Nature, combining different transportation modes... Roam the landscapes of the territory and appreciate its sweet life.

DESIGNED INFRASTRUCTURES :

The region is at the leading edge of the development of soft mobilities for every Nature carers

Cycling routes **to explore the region** safely, along the coastline, throughout our vineyards or Natural Regional Parks

Hiking marked trails, fitted out rivers, developed railways... as many transportation modes as possible to limit **our carbon impact**

OUR COMITMENTS

Selected partners involved into sustainable environmental development

Tours favouring **soft mobilities** for contributing to reduce CO2 emissions and protect the natural landscapes

Being amenable to environmental issues, PASSION TOURISME is doing everything to adopt a more responsible tourism.

Passion
